

# **SOMETHING EVERYBODY SHOULD KNOW!!!!**

## **A part of all you earn is yours to keep!**

1. Prepare for the future
2. Pay yourself - save for a rainy day
3. Get started - plant the seed- nurture (water & feed)
4. Find the right source for investment
5. Use the interest
6. Live on less than you earn
7. Seek advice from experts
8. Learn how to acquire money, learn how to keep money
9. Desire to prosper (don't give up, don't give in and don't give out)
10. Don't set goals you cannot fulfill
11. Wealth grows when energy is exerted
12. Start Now

“The more you sow,  
The more you reap.”
